Lottery Procedures:

If KC International Academy has more applicants than seats available for any grade level, KCIA will hold a random lottery drawing as required by Missouri State Statute. Application deadline for the lottery is April 14. The lottery will be held on April 15. Once the lottery is held, families will be contacted with their enrollment status. Accepted families will have two weeks from the date of notification to submit the required enrollment paperwork, including current residency verification in the form of a utility bill or lease agreement **in person at the school campus**. After the lottery is held remaining students will be added to the waitlist and contacted for enrollment as seats become available.
