## **Kansas City International Academy – Kansas City, MO Request for Proposal “Broadband Internet Service” January 22, 2020**

### **Instructions to Vendors**

Kansas City International Academy (KCIA) is looking for a vendor to assist the Charter School in providing a 1 gigabit Fiber Internet Service, for the 650+ students and 100+ staff. Currently KCIA is utilizing Spectrum’s “Fiber Internet Service” at a 1 gb speed, with which the current contract expires later this year. We will be applying for federal ERATE funds to offset the costs of the project and currently sit at a 90% discount level. Should KCIA’s ERATE application be denied for this service, then KCIA will have to abandon the contract awarded.

Any Vendor responding to the RFP, should list multiyear options with the contract proposal. KCIA also would like voluntary extensions offered in the contract proposal.

The due date for all RFP proposals will be Monday, February 24<sup>th</sup> 2020, at 9 am (central Time).

The proposal will go to the school board for approval on Tuesday, February 25<sup>th</sup>, 2020.

Please submit all questions and proposals to:
