Get your child ready for Kindergarten!

Kansas City International Academy partners with Start at Zero to boost your child's success when they enter Kindergarten! Even a baby can start learning!

Start at Zero's programs are FREE, open to the community, and focus on healthy development and Kindergarten readiness for babies up to Kindergarten age.

What does Start at Zero offer families?

- Personal visits focused on child development, parent-child interaction and family well-being
- Educational playgroups led by Parent as Teachers certified Parent Educators
- Screenings for language, cognitive, motor and social-emotional development
- Visits in English, Spanish, and interpretation for any other language!

Kansas City International Academy offers a Start At Zero Parent Educator. If you are interested in participating, call or text Gretchen.
