All KCIA students, teachers and staff will observe and implement the following expectations every day, every minute and in every location:

- Keep hands, feet and body to self at all times
- Follow directions from all adults the first time
- Be respectful of everyone
- Inside voices at all times

Rules, Regulations, and Guidelines

Arrival Time: it is important that students arrive on time every day for maximum learning to take place. All students should arrive by 7:40 AM for breakfast. Instructional minutes begin at 8:00 AM.

Attendance Guidelines: Daily attendance is an important part of achieving academic success. Students should be in attendance, if at all possible. If a student must be absent, the parent/guardian should call the school office prior to 7:30 AM. If the school does not receive a call, efforts will be made to make a follow up call to verify absence. If a child is absent during the regular school day, participation in after-school activities is not allowed.

Perfect attendance means just that. Any excused or unexcused absence, tardy, late arrival, or early pickup will count against your child's overall attendance. In order to have perfect attendance, students must be at school each minute of every day throughout the entire school year. Attendance incentives for students takes place every semester.

Bullying: Intimidation or harassment of a student or multiple students perpetuated by individuals or groups. Bullying includes, but is not limited to: physical actions, including violence, gestures, theft or damaging property; oral or written taunts, including name-calling, put-downs, extortion, or threats; threats of retaliation for reporting such acts; sending or posting harmful or cruel text or images using the internet or other digital communication devices; sending or posting materials that threaten or raise concerns about violence against others, suicide or self-harm. Students will not be disciplined for speech in situations where the speech is protected by law.

Administration will investigate all reports of bullying. If found true, the student(s) will be disciplined in accordance with the Student Code of Conduct or more.

Conferences: Parent-teacher conferences are held throughout the school year. It is extremely important that all families attend the fall and spring conferences. Dates are listed on the district calendar that every family receives. Additional conferences may be arranged with the classroom teacher as needed.

Dismissal Procedures: Staff members do not excuse students during the school day unless the building principal or his/her designee has given prior approval. Any student

leaving school early must have a parent/legal guardian sign him/her out of the office. A designee that is at least 18 years of age can be appointed by the parent/legal guardian to sign the student out at the office. The office will verify that designee has received permission prior to releasing the student. Designees may be asked to show photo ID upon arrival. To improve efficiency, it is asked that parent/guardians notify the office that a designee will be checking their child out early. All changes (temporary or permanent) in transportation should be communicated in writing and/or in person to office staff by the parent or legal guardian (communications through students cannot be accepted). When in doubt, the latest transportation form will be used to determine transport home. Students are called to the office after the parent or designee arrives. Student's attendance record will be impacted when they are signed out before the end of the regular school day (2:55pm).

All changes (temporary or permanent) in transportation should be communicated in writing and/or in person to office staff by the parent or legal guardian (communication through students cannot be accepted). A change in your child's regular dismissal routine (different means of transportation or someone different coming to pick your child up) must be communicated to the office no later than 1:00 PM. An email or voice message left with the classroom teacher does not guarantee the message will be received that day. All transportation changes should be communicated to the office. Note, consistency with dismissal is crucial to the safe and efficient dismissal of students from school.

School personnel will follow all legal documentation on file. Unless legally documented otherwise, students will be released to either parent identified on the child's birth certificate. Should documentation change during the school year, please notify the office and provide them with updated papers.

In the event that the parent/guardian cannot be reached, students may be released to individuals listed as emergency contacts. An emergency contact is one that is contacted in the event that the parent/guardian cannot be reached. Because of confidentiality, information cannot be shared with the contact unless directly instructed by the parent.

Early Release Wednesdays: Dismissal at 1:55pm

All schools are places for learning. In order for teachers, school staff and administration to learn and grow together, the district has established student early release days. During this time, teachers and administrators are engaged in professional development

to improve teaching and learning strategies to increase student achievement. Dates are noted on the district calendar.

Half Days: Dismissal at 12:00pm

There will be three half days during the 2019-2020 school year. The dates are October 23, December 20, and the last day of the regular school year. During this time, teachers and administrators are engaged in professional development to improve teaching and learning strategies to increase student achievement

After School Activities: A variety of after school activities will be provided for students in grades 3-8. In order to participate, permission slips will be provided and must be signed by a parent/ guardian. Transportation will be provided.

Electronic Devices: Student's personal electronic devices, (i.e. cell phones) are discouraged. However, if brought into the school building, all devices must be kept off and stored in backpacks during school hours. If a device is turned on or left on during the school day and causes a disruption, it will be confiscated and returned only to a parent/guardian. The school is not responsible for any lost or stolen electronic devices. Cyber bullying will not be tolerated. Bullying of any type will be handled in accordance with the Student Code of Conduct.

Emergency Numbers: Please call the school office when a home address, email, phone number, cell number, or emergency contact number changes. It is important for your child's welfare that the school is aware of all changes. Parents/guardians may also be notified via district calling system in the event of emergencies, early dismissals, etc. Additional emergency contacts for dismissal must be added in person or in writing. Phone call requests will not be honored.

Emergency Procedures: Schools regularly practice emergency drills, i.e. fire, tornado, intruder, disaster, etc. to establish and promote protocols during the event of a real emergency. In the case of an emergency, tornado, fire alert, intruder, etc., all persons will adhere to the building evacuation/safety procedures. It is very important during these periods that telephone lines remain open so school staff can communicate with emergency services. Please do not call the school. Communication will be made with parents as quickly as possible. Building or district staff will follow district and school guidelines for safety purposes. Students will not be dismissed until all clear has been given. Access to school property will be controlled.

Enrollment: To enter Transitional Kindergarten a child must be 5 between Sept. 1st –Oct. 31st. To enter kindergarten, a child must be five (5) years of age by August 31st. To enter first grade, a child must be six (6) years of age by August 31st. All students entering KCIA must satisfactorily meet all residency, academic, age, immunization, health, disciplinary, and other eligibility prerequisites as established by the KCIA Board of Education policy, state law, and the Safe Schools Act. Students transferring in to KCIA will be assessed to determine grade level placement.

Field Trips: Field Trips are a valuable and fun learning experience for the students. If students are scheduled for a field trip, parents/guardians will be notified. Permission for field trips will be sent home at least four days prior to the scheduled field trip. Parents can deny permission prior to any field trip. The child is still expected to attend school. Siblings are not allowed to attend field trips due to insurance liabilities. If a parent chooses to transport their child to and from the field trip, the student must be signed in and out with the school personnel. Anytime the student is not under school supervision he/she will be counted absent.

Due to behavior concerns, parents or an adult designee assigned by the parent may be required to chaperone field trips in order for their child to attend. In some situations, a child may not be allowed to attend a field trip due to behavior or having attendance below 90%.

Field Trip Chaperone Guidelines: The safety and security of our students is the most important thing to consider when leaving school grounds. Not all trips will require a chaperone. With this in mind, the following expectations must be adhered to:

Who can go:

- Parents/Guardians of students
- Must be at least 18 years' old
- Siblings cannot attend
- In the event of more chaperone applicants than spots, chaperones will be chosen based on a lottery system (depending on circumstances)

While on the trip:

- Parents may need to provide their own transportation when room is not available on the bus
- Pictures should not be taken of any student that is not your own
- Be with/monitor your group the entire field trip
- Groups need to stay together at all times- this includes bathroom breaks

- Adhere to the schedule given/communicated with you
- Comply with all directions from teachers or facility/staff
- Typical school rules apply

Please refrain from:

- Use of tobacco, profanity or drugs/alcohol
- Giving food or snacks to students – this includes drinks, candy, gum, etc.
- Purchasing anything for your group
- Cell phone use unless it is an emergency or you are contacting the teacher
- Leaving early, if at all possible

Please understand that these rules must be followed. These rules are intended to keep every student safe while we are on our field trips. If you have any questions, please contact your student's teacher.

Harassment/Sexual Harassment: Sexual Harassment includes staff to student, student to student, or student to staff. Students or staff who believe they have been a victim of sexual harassment or have witnessed sexual harassment should report such immediately to the building principal or the next level administrator. If allegations are found to be true, disciplinary action will be taken in accordance to board policy. There will be no adverse action taken against individuals who sincerely believe they are victims or witnesses of sexual harassment. An adverse action of up to and including expulsion to termination could be taken when an individual's actions are proven to be dishonest.

Bullying: Bullying is prohibited at KCIA, on school property, at any school function, or on a school bus. All reports of bullying will be investigated by administration. If found true, the student(s) will be disciplined in accordance with the Student Code of Conduct. "Bullying" means intimidation or harassment by individuals or groups, that causes a reasonable student or students to fear for his or her physical safety or property; substantially interferes with the educational performance, opportunities, or benefits of any student without exception; or substantially disrupts the orderly operation of the school. Bullying may consist of, but is not limited to, physical actions, including gestures, verbalizations, cyberbullying, electronic, or written communication, and any threat of retaliation for reporting of such acts.

"Cyberbullying" means bullying through the transmission of a communication including, but not limited to, a message, text, sound, or image by means of an electronic device

including, but not limited to, a telephone, wireless telephone, or other wireless communication device, computer, or pager.

Disciplinary actions from school administration in response to cyberbullying are permissible if:

- *cyberbullying occurred on school property or on a school bus,
- *cyberbullying occurred at or during a school function,
- *cyberbullying occurred using school-issued technology,
- *cyberbullying occurred using school accounts or logins, or
- *cyberbullying disrupts the learning environment.

Health Services: A school nurse (RN) is employed full time to staff the health room. Please feel free to call the school nurse if you have any questions regarding services, testing, or contagious diseases. All students must have a current health form on file.

- **Head Lice-** If the school nurse/designee should discover head lice/eggs on a student, the parent/guardian will be notified. If the presence of lice nits is discovered, the student may be removed from school. All students living within the household will also be checked. The school nurse will recommend to parents/guardians concerning treatments used. To be readmitted to school, the school nurse or his/her designee must examine a student to confirm that no lice nits are present. In keeping with the KCIA policy of avoiding the unnecessary exclusion of students from school, the district will not exclude otherwise healthy students from school due to nit infestations. Students with head lice infestations will be excluded from school only to the minimum extent necessary for treatment.
- **Immunizations-** School nurses review all immunization records of every student in the building. If a child is in need of additional immunizations, you will be notified immediately. In order for students to attend school in the KCIA, all students must be in compliance with state laws regulating immunizations. If you have any questions regarding immunizations, please call the school nurse.
- **Medication-** A medication form must be on file for any medication to be administered to students. All student medication must be in the original container from the pharmacist with the student's name on it. No exceptions are made to this policy. School health care professionals record medications administered and keep medications in a locked cabinet.

Medicaid School-Based Health Services Program: As a result of your child's Individualized Education Program (IEP), KCIA will provide your child's needed direct school-based therapy service(s), i.e., speech/language, occupational therapy and/or physical therapy. Federal funds under Medicaid are available to the district to help cover the rising cost of providing these services.

If your child is or becomes Medicaid or MC+ identified, the KCIA will follow federal and state Medicaid regulations to claim entitled reimbursement for the direct school-based therapy services provided to your child. Regulations include review and consideration of your child's Individual Education Plan (IEP) and possibly other pertinent records, e.g., evaluations and physicals by a physician. The physician will not be one that is retained by the district to determine medically necessary as defined by the Division of Social Services/Department of Medical Services. If the physician reviews your child's records, that review will be performed without charge you.

Assessment Policy: There is no opt-out policy at KCIA in regards to state assessments per state standards. We are accountable for each student taking the annual state assessment.

Classroom Parties: Students may bring snacks or treats for holiday parties as requested by the classroom teachers. Please ensure all food and/or drinks are peanut free and delivered in unopened, original packaging. All items must be purchased; no home baked goods. We encourage all students to bring only items which have direct relationship to class work or school activities to school (may be assigned by the classroom teacher). If unnecessary items are brought to school, the teacher will take them to the office. The parent/guardians may contact the office to arrange a time to pick up the item(s). The school is not liable for lost/stolen personal items, including money, should students choose to bring personal items to school. Discipline occurrences connected with bringing an unapproved nuisance or personal items will be handled in accordance to policy.

Unless given permission by a teacher, students' personal game/toys, including electronic games, balls, recess equipment, etc. may not be brought to school. Students will remain inside under extreme weather conditions, i.e., above 90 degrees F or below 20 degrees F.

Please listen for these announcements and do not call the school. The school lines need to be kept open for emergency purposes. Parents must make arrangements at the beginning of the school year for unplanned early dismissal situations. Students should be aware of and understand these arrangements.

School Dress: School dress should reflect respect for self, family, and school. Extremes in dress, which disrupt the learning environment or interfere with the intended function of the school, are unacceptable. The following are some guidelines for appropriate student dress:

- In the school building, hats, bandanas, gloves, chains, sunglasses, or revealing clothing are not to be worn.

The school may initiate a report to Children's Division if a student has missed more than 10 consecutive days.

KCIA Inclement Weather
Alternative Methods of Instruction (AMI) Plan

Missouri law regarding school cancellations due to weather and other emergency situations has changed. As a result, when it becomes necessary to cancel in-building attendance due to weather conditions, instruction will continue at home. KCIA will inform parents by robocall, FlyerConnect announcement and TV listing when in-building attendance is cancelled and the AMI plan becomes active. On these days teachers will post class assignments for Kindergarten and First Grade students in SeeSaw by 9:00AM. Teachers will post class assignments for students in grades 2-8 in Google Classroom by 9:00AM. Students should login and complete assignments. KCIA teachers will provide feedback to your student throughout the day and/or upon his/her return to the classroom. If your family does not have access to the internet at home, your child's teacher will send a packet of work home to be completed. In order to be counted as present for attendance purposes on AMI days your child must login and complete assignments or return the completed packet to the teacher once school resumes.
